

SUPER EXCITING PHOTO SHOOT QUESTIONNAIRE

#1: YOU

Who are all the cool folks who will be in the session? Names and ages, if you please:

Tell us about why you decided to have your portraits taken:

When was the last time you had your portraits taken?

What do you love about your partner?

What are you most excited about with the new little one coming?

Do you know if it's a boy or girl?

What do you want them to remember about their first couple weeks?

Describe your perfect Saturday together:

Tell us about yourselves. What are your hobbies? What do you like to do together? What's one fun fact about each person?

If you could pick one word to describe you as a family, what would it be?

#2: THE PHOTOS

What types of photos are you envisioning for the session? Just the little one? The whole family interacting?

Are there any shots, or sessions, that you've seen of ours that really stand out to you?

Are there any must-have photos?

Do you have a special location you'd like us to check out?

Are there any specific ways you'd like to display your photos? (albums, digital, wall prints, etc.)

Which areas of your home are you hoping to decorate with your images?

How did you hear about us?

Send us your favourite photo of your family. We love to put faces to names right away!
